

PRIVACY POLICY

Introduction

Aathma Engineering values your privacy and is committed to protecting your personal information. This Privacy Policy explains how we collect, use, and safeguard your data.

Information We Collect

We may collect personal information such as name, contact details, email address, and project-related information when you fill forms or contact us.

We may also collect non-personal data such as browser type, device information, and website usage for improving user experience.

How We Use Information

The information collected is used to:

- Provide services and respond to enquiries
- Improve website performance and user experience
- Communicate updates, offers, or service information
- Ensure compliance with legal and business requirements

Data Protection

We implement appropriate security measures to protect your data from unauthorized access, misuse, or disclosure. Your information is handled with confidentiality and care.

Sharing of Information

We do not sell or share personal information with third parties except when required for service delivery, legal compliance, or business operations.

Cookies and Tracking

Our website may use cookies to enhance user experience and analyze website performance. Users can control cookie settings through their browser.

User Rights

Users have the right to request access, correction, or deletion of their personal data. Requests can be made through our contact details.

Updates to Policy

We may update this Privacy Policy from time to time. Continued use of the website indicates acceptance of the updated policy.
